Zoom conference

4-5 October 2021

**organized by School of Theology,
University of Eastern Finland**

Russia and Ukraine both have rich and interesting histories and cultures, but Russian perspective has long been dominant in the research in and about this area. In this conference the encounters, interactions, and entanglements of these two countries will be examined through three themes:

Theme One: Varieties of Narrating History

Theme Two: Political Uses of Various Interpretations of 'Common History'

Theme Three: Consequences of Differences

Call for Papers deadline 2.8.2021

Registration deadline 31.8.2021
